

March 15, 2006

Dear Fellow Agriscience Teachers,

The end of the school year will be here before you know it! Shortly after that it will be time for our Region 6 Conference. We are excited that Delaware will be hosting the conference this year at Rehoboth Beach from June 27-30, 2006. We hope that you will consider joining us for some great hands-on and interactive workshops in the fields of Ag. Mechanics, Plant Science, Animal Science, Environmental Science and FFA; as well as NAAE business meetings and award selection with our new Region 6 Vice-President, Sally Shomo. Our intent is to provide professional development that every teacher can take back and easily implement into their curriculum.

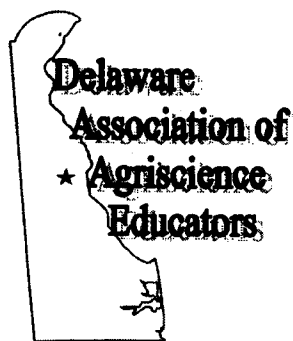

Registration for the conference is \$125.00 per Agriscience teacher and I would like to encourage you to bring your family in order to make this trip to Delaware a family experience! Additional information about the NAAE Region 6 Conference is available on the DAAE website, <http://sms.smyrna.k12.de.us/users/kcook/2005-06%20DAAE/DAAE%20index.htm>.

As new information becomes available, the site will be updated, so check it often!

Sincerely,

A handwritten signature in black ink that reads "William T. Currey IV". The signature is written in a cursive style with a long horizontal line extending from the end.

William T. Currey IV  
DAAE President
